Lyndeborough Hazard Mitigation Plan Update 2027
Meeting 1
November 12, 2026 | 1:00pm | Citizens' Hall

Agenda

1. Review the planning process.

2. Determine who to notify about the planning process.

3. Determine how to involve members of the public in the planning process.

4. Determine what existing plans, documents, and reports to review and incorporate into the update.

5. Determine changes in development and land use since the last plan that impact vulnerability to hazards. This includes development in neighboring towns that could also impact your town's vulnerability to hazards.

6. Determine Lyndeborough's existing capabilities in the following areas and its ability to expand and improve on these:
    a. Planning and Regulatory Authority
    b. Emergency Management
    c. Floodplain Management
    d. Administrative and Technical
    e. Fiscal

7. Set next meeting date.
